

nothing without sack, for that sets it awork ; and learning a mere hoard of gold kept by a devil, till sack commences it, and sets it in act and use. Hereof comes it, that prince *Henry* is valiant : for the cold blood he did naturally inherit of his father, he hath, like lean, steril, and bare land, manured, husbanded, and till'd, with excellent endeavour of drinking good and good store of fertile sherris, that he is become very hot, and valiant. If I had a thousand sons, the first humane principle I would teach them, should be, to forswear thin potations, and to addict themselves to sack.

Enter Bardolph.

How now, *Bardolph*?

Bard. The army is discharged all, and gone.

Fal. Let them go : I'll through *Glo'stershire* ; and there will I visit master *Robert Shallow*, esquire : I have him already tempering between my finger and my thumb, and shortly will I seal with him. Come away. [*Exeunt.*

SCENE VIII.

The Palace at Westminster.

Enter King Henry, Warwick, Clarence, and Gloucester.

K. Henry. **N**OW, lords, if heav'n doth give successful end
To this debate that bleedeth at our doors,
We will our youth lead on to higher fields,
And draw no swords but what are sanctified.
Our navy is address'd, our power collected,
Our substitutes in absence well invested,
And every thing lies level to our wish :
Only we want a little personal strength,
And pause us, till these rebels, now afoot,
Come underneath the yoke of government.

War. Both which we doubt not but your majesty
Shall soon enjoy.

K. Henry.
